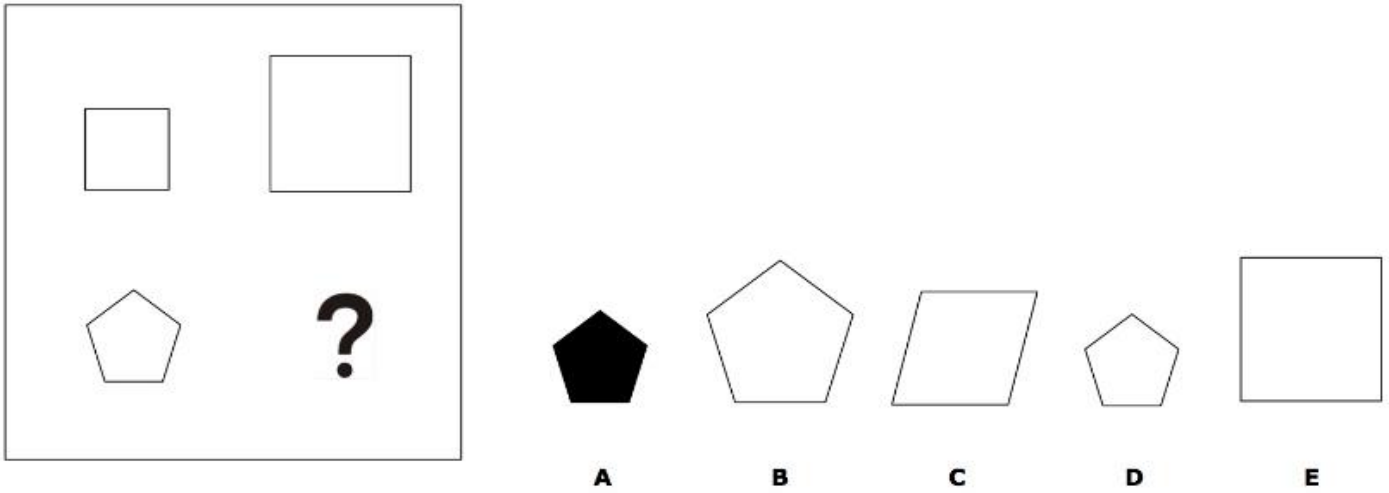
In each of these questions, there are figures arranged in a large square.
One figure is missing and its place is shown by a question mark.
You must choose which figure from the answer choices is the missing one.
Look at the example below.

Example



The correct answer has been marked from the choices below.
This is followed by an explanation.

A

B ✓ correct answer

C

D

E

This section is 10 minutes long.

It contains 24 questions.

Mark your answer by clicking the box next to the correct letter from the answer choices.

Do not select more than one answer per question.

If you wish to change your answer, simply click on the box again to uncheck it and then click on the box next to the letter you wish to change to.

Once you have completed a question and moved on to the next one, you cannot go back and change your answer.

Your time will start when you click 'NEXT QUESTION'.
